### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2009

#### 1 Statement of Significant Accounting Policies

This report covers Australian Vaccination Network Inc as an individual entity. Australian Vaccination Network Inc is an association incorporated in New South Wales under the Associations Incorporation Act 1984.

#### **Basis of Preparation**

The financial report is a general purpose financial report that has been prepared in accordance with Australian Accounting Standards, Australian Accounting Interpretations and the Associations Incorporation Act 1984.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in a financial report containing relevant and reliable information about transactions, events and conditions to which they apply. Compliance with Australian Accounting Standards ensures that the financial statements and notes also comply with International Financial Reporting Standards. Material accounting policies adopted in the preparation of this financial report are presented below. They have been consistently applied unless otherwise stated.

The financial report has been prepared on an accruals basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

#### **Accounting Policies**

#### **Going Concern**

Notwithstanding the deficiency of net assets in the association, the financial report of the association has been prepared on a going concern basis. This basis has been applied as the association continues to implement strategies to improve the future viability of the organisation. These strategies include seeking donations to control shortfalls, introduction of ticketed webinars, increased distribution of magazine and sponsorship opportunities for businesses.

#### Income Tax

The Association is exempt from income tax under present taxation laws.

#### **Inventories**

Inventories are measured at the lower of cost and net realisable value including, (where applicable) any impairment write downs as per AASB 136 Impairment of Assets.

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2009

#### Leases

Leases of fixed assets where substantially all the risks and benefits incidental to the ownership of the asset, but not the legal ownership are transferred to the association, are classified as finance leases.

Finance leases are capitalised by recording an asset and a liability at the lower of the amounts equal to the fair value of the leased property or the present value of the minimum lease payments, including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

Leased assets are depreciated on a straight-line basis over their estimated useful lives where it is likely that the association will obtain ownership of the asset or over the lease term.

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred.

Lease incentives under operating leases are recognised as a liability and amortised on a straight-line basis over the life of the lease term.

#### Financial Instruments

#### **Recognition and Initial Measurement**

Financial instruments, incorporating financial assets and financial liabilities, are recognised when the entity becomes a party to the contractual provisions of the instrument.

#### Classification and Subsequent Measurement

(i) Financial assets at fair value through profit and loss

Financial assets are classified at fair value through profit or loss when they are held for trading for the purpose of short term profit taking, where they are derivatives not held for hedging purposes, or designated as such to avoid an accounting mismatch or to enable performance evaluation where a group of financial assets is managed by key management personnel on a fair value basis in accordance with a documented risk management or investment strategy. Realised and unrealised gains and losses arising from changes in fair value are included in profit or loss in the period in which they arise.

#### (ii) Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are subsequently measured at amortised cost using the effective interest rate method.

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2009

#### (iii) Held-to-maturity investments

Held-to-maturity investments are non-derivative financial assets that have fixed maturities and fixed or determinable payments, and it is the association's intention to hold these investments to maturity. They are subsequently measured at amortised cost using the effective interest rate method.

#### Impairment of Assets

At each reporting date, the association reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired.

Where it is not possible to estimate the recoverable amount of an individual asset, the association estimates the recoverable amount of the cash-generating unit to which the asset belongs.

#### **Employee Benefits**

Provision is made for the association's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled.

#### **Provisions**

Provisions are recognised when the association has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

Provisions recognised represent the best estimate of the amounts required to settle the obligation at reporting date.

#### Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at-call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities on the balance sheet.

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2009

#### **Revenue and Other Income**

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed.

Revenue from the sale of goods is recognised at the point of delivery as this corresponds to the transfer of significant risks and rewards of ownership of the goods and cessation of all involvement in those goods.

Interest revenue is recognised using the effective interest rate method, which, for floating rate financial assets is the rate inherent in the instrument.

Revenue from the provision of membership subscriptions is recognised when the association has established that it has a right to receive such monies.

All revenue is stated net of the amount of goods and services tax (GST).

#### Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the balance sheet are shown inclusive of GST.

Cash flows are presented in the cash flow statement on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

#### Comparative Figures

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

#### **Critical Accounting Estimates and Judgments**

The committee members evaluate estimates and judgments incorporated into the financial report based on historical knowledge and best available current information.

Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the association.

Key estimates - Impairment

The association assesses impairment at each reporting date by evaluation of conditions and events specific to the association that may be indicative of impairment triggers. Recoverable amounts of relevant assets are recognised using value-in-use calculations which incorporate various key assumptions.

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2009

#### **New Accounting Standards for Application in Future Periods**

The AASB has issued new, revised and amended Standards and Interpretations that have mandatory application dates for future reporting periods and which the association has decided not to early adopt. A discussion of those future requirements and their impact on the association is as follows:

**AASB** 

AASB 101:

amendment AASB Standard affected

Presentation of Financial Statements

Application Application date of the Standard association 1.1.2009 1.1.2009

AASB 2007-8 Amendments to Australian Accounting Standards arising from AASB 101, and AASB 2007-10. Further amendments to Australian Accounting Standards arising from AASB 101 (all applicable to reporting periods commencing from 1 January 2009). The revised AASB 101 and amendments supersede the previous AASB 101 and redefine the composition of financial statements including the inclusion of a statement of comprehensive income. There will be no measurement or recognition impact on the association. If an entity has made a prior period adjustment or reclassification, a third balance sheet as at the beginning of the comparative period will be required.

The association does not anticipate early adoption of any of the above reporting requirements and does not expect them to have any material effect on the association's financial statements.

### 12 Financial Risk Management

#### **Financial Risk Management Policies**

The association's financial instruments consists primarily of deposits with banks, local money market instruments, short-term investments, accounts receivable and payable.

The committee's overall risk management strategy seeks to assist the association in meeting its financial targets, whilst minimising potential adverse effects on financial performance.

The association does not have any derivative instruments at 31 December 2009.

i) Treasury Risk Management

The association does not have any treasury risk management stragies.

# NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2009

2009 2008

ii) Financial Risk Exposures and Management

The main risks the association is exposed to through its financial instruments are interest rate risk, foreign currency risk, liquidity risk, credit risk and price risk.

Interest rate risk

The association does not have any interest rate risk management strategies.

Foreign currency risk

The association is not exposed to fluctuations in foreign currencies.

Liquidity risk

The association does not have any liquidity risk strategies.

Credit risk

The association does not have any credit risk strategies.

Price risk

The association is not exposed to any material commodity price risk.

# 14 Segment Reporting

The association operates in one business and geographical segment, being the natural health industry providing information to members and the community throughout Australia.

#### STATEMENT BY MEMBERS OF THE COMMITTEE

In the opinion of the committee the financial report as set out on pages 1 to 17:

- 1. Presents fairly the financial position of Australian Vaccination Network Inc as at 31 December 2009 and its performance for the year ended on that date in accordance with Australian Accounting Standards, mandatory professional reporting requirements and other authoritative pronouncements of the Australian Accounting Standards Board.
- 2. At the date of this statement, there are reasonable grounds to believe that Australian Vaccination Network Inc will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the Committee and is signed for and on behalf of the Committee by:

President:			 	
		,		
Treasurer:

# Certified Practising Accountants INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF AUSTRALIAN VACCINATION NETWORK INC ABN: 30 077 002 923

#### Report on the Financial Report

I have audited the accompanying financial report of Australian Vaccination Network Inc (the association) which comprises the balance sheet as at 31 December 2009, profit and loss statement, statement of recognised income and expenditure and cash flow statement for the year ended on that date, a summary of significant accounting policies and other explanatory notes and the statement by members of the committee.

#### Committee's Responsibility for the Financial Report

The committee of the association is responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the Associations Incorporations Act New South Wales 1984. This responsibility includes establishing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

#### Auditor's Responsibility

My responsibility is to express an opinion on the financial report based on my audit. I conducted my audit in accordance with Australian Auditing Standards. These Auditing Standards require that I comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee, as well as evaluating the overall presentation of the financial report.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

#### Independence

In conducting my audit, I have complied with the independence requirements of Australian professional ethical pronouncements.

Certified Practising Accountants INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF AUSTRALIAN VACCINATION NETWORK INC

ABN: 30 077 002 923

#### **Qualified Auditor's Opinion**

As is common for organisations of this type, it is impractical for the Australian Vaccination Network Inc to maintain an effective system of internal control over membership fees, donations, sponsorship and other function, fundraising and revenue amounts until their initial entry into the accounting records. Accordingly my audit in relation to receipts was limited to the amounts recorded.

In my opinion:

The financial report of Australian Vaccination Network Inc is in accordance with the Associations Incorporation Act New South Wales 1984 including:

- (i) giving a true and fair view of the Association's financial position as at 31 December 2009 and of their performance for the year ended on that date; and
- (ii) complying with the Australian Accounting Standards (including the Australian Accounting Interpretations) and the Associations Incorporations Act New South Wales 1984.

#### **Emphasis of Matter**

Inherent Uncertainty regarding continuation as a Going Concern

There is an inherent uncertainty whether the Association will be able to continue as a going concern without the ability to continue to generate, external funding from donations and sponsorships.

# **COMPILATION REPORT** TO AUSTRALIAN VACCINATION NETWORK INC ABN: 30 077 002 923

We have compiled the accompanying general purpose financial statements of Australian Vaccination Network Inc which comprise the balance sheet as at 31 December 2009, and the income statement, statement of changes in equity and cash flow statement for the year ended 31 December 2009, a summary of significant accounting policies and other explanatory notes.

These have been prepared in accordance with the financial reporting framework described in Note 1 to the financial statements.

#### The responsibility of the committee of management

The Committee of Management is solely responsible for the information contained in the special purpose financial statements and has determined that the basis of accounting adopted is appropriate to meet the needs of the committee of management for the purpose of complying with the association's constitution.

#### Our responsibility

On the basis of information provided by the committee of management we have compiled the accompanying general purpose financial statements in accordance with the basis of accounting and APES 315: Compilation of Financial Information.

Our procedures use accounting expertise to collect, classify and summarise the financial information, which the Committee of Management provided, in compiling the financial statementst. Our procedures do not include verification or validation of procedures. No audit or review has been performed and accordingly no assurance is expressed.

The general purpose financial statements were compiled exclusively for the benefit of the committee of management. We do not accept responsibility to any other person for the contents of the special purpose financial statements.
