

Submission of Meryl Wynn Dorey

Ballina Courthouse October 11, 2012 Regarding Dan Buzzard

Dan Buzzard is another long-time member of the organisation Stop the AVN. He has harassed me over the last 3 years and has also incited others to harass me and to take actions such as sending me violent pornography and hacking the AVN's website.

Dan Buzzard regularly tweets and posts many message on Facebook which are both derogatory and threatening about the AVN and its President, Meryl Dorey.

Below is a selection of some of these items:

On September 2, 2012, Dan Buzzard sent out the following tweet, exhorting people to send the AVN violent pornographic messages:

I had never heard of goatse images before but after looking up the meaning of that word on Google, I was absolutely appalled that anyone would direct strangers to send pornography to a person simply because he disagreed with them on a matter of science.

In response to a blog post I wrote regarding the harassment I have endured at the hands of Stop the AVN (SAVN) members, he responded by stating that:

This is indeed a human issue, which is why the AVN needs to be attacked and brought down in any way possible. I look forward to the day when anti-vaxxers are shunned and driven out of the community they threaten.

Perhaps there needs to be a national anti-vaxxer register, much like a sex offender register. So that communities can know if anti-vaxxers are living nearby.

Mr Buzzard and other SAVN members regularly call me the Bangalow Baby Killer because I provide information and support to parents on the issue of informed vaccination choice.

And here:

DanBuzzard: #stopavn The Bangalow Baby Killer sends another E-newsletter. Time to play spot the bullshit; this ones on (cont) <http://tl.gd/3drv6c> about 3 hours ago via Twitlonger

As you can imagine, it is devastating for the parent of a vaccine-injured child, and someone who deals with other families whose children have been either injured or killed by vaccination on a daily basis, to be spoken of in such a way.

Just a note on the following Tweets – **@nocompulsoryvac** is the Twitter name for Meryl Dorey.

In mid-August of this year, Dan Buzzard was involved in posting on a forum frequented by hackers and people who claim to be members of the group Anonymous. The forum address is <https://whyweprotest.net/community/threads/stealth-ninja-pwns-cchr-promoter-and-child-hater-meryl-dorey.104569/page-12> Buzzard bragged on Twitter about having been a member of this forum since 2008 and advertised a link to this page on Twitter and Facebook, inviting members of Stop the AVN to drop by and comment.

On this forum, a person who calls himself anonymous but who I believe is Dan Buzzard (and the original person who started this thread), posted a copy of a form called a Butthurt Report Form. Shortly after posting this (please see below), Dan Buzzard sent me a copy of this form via post to my address. He had taken a picture of the envelope addressed to me and posted that to his blog. The only purpose of this letter was to harass and intimidate me.

- I posted this person's RL information everywhere I could think of, they'll get a Molotov cocktail through their bedroom window sooner or later, and that'll teach 'em to mess with me.
- I realized that arguing on the internet is usually pointless and found something else to do with my time.

Not long after receiving this letter from Mr Buzzard, I received an email from someone claiming to represent anonymous who was threatening to take our web-site down and was 'sharpening the knives' for me (please see below).

From: fantasticfox5@tormail.org
 Subject: flu-reactions

meryl be warned we're coming for you. and you will be sorry you filthy baby killer. sharpening the knives now.

Almost immediately after sending this email to me, the same person opened up a Facebook account and posted an incredibly vile pornographic image onto the AVN's Facebook page. I will not share this image here, but if your honour were interested in seeing it, please do a search for the words "Lemon Party".

I believe that Mr Buzzard, through his participation on the whyweprotest forum, had incited this person to take this action.

My evidence for this suspicion is that approximately an hour before I received the above email and the pornography was posted onto our Facebook page, Dan Buzzard received an email from the same person who wrote to me:

There are over 4,000 members of Stop the AVN. Why would this hacker choose Dan Buzzard of all of those others to share this information with?

It is my belief that his actions on the hacking group has caused this person to join in harassing us and that as long as Mr Buzzard continues to act this way, more and more people will be 'encouraged' to do the wrong thing in regards to myself and our organisation.

Dan Buzzard ignores and possibly breaches the interim AVO

On September 28th, well after an interim AVO was granted by the Ballina Court, Dan Buzzard published yet another blog attacking me and telling outright lies about the cause of my AVO application.

His post, called the Strange Email (<http://www.danbuzzard.net/journal/the-strange-email.html>) discusses his receipt of the email cited above from fantasticfox5@tormail.com - the person who had sent me the threatening email and posted the pornography.

On this blog post, Mr Buzzard says:

Actually I have never incited anyone to send pornography to Meryl or anyone else.

This is patently untrue since, just a few weeks earlier on September 2nd, Mr Buzzard publicly tweeted asking people to send me goatse images which would be considered to be pornography in anyone's book.

In the same blog post, Mr Buzzard says (in relation to me saying that the person who had sent me the threatening emails had found out about us from a hacker forum):

I'm not 100% sure what forum she's talking about but it might be <http://whyweprotest.net> in which case her definition of "very active" would be 5 posts in 4 years.

Now, there are most likely hundreds of hacker forums around the world - why would he have selected whyweprotest if he hadn't been aware that this was the site fantasticfox5 belonged to? And it is one thing to say, when he was suspected of complicity with this hacker, that he only posted 4 or 5 times in years - but before the threats occurred, he had publicly boasted about having been a member of that forum since 2008.

Mr Buzzard continues to harass me by stating that:

Meryl's issue with me revolves around several complaints that I've lodged with government departments. Of course that would make her look bad so she feels compelled to make up lies which sound better.

I did not even mention the complaints he has made and continues to make. My issue is that by his irresponsible incitement of violence against me, someone has been encouraged to act on his recommendations.

For this reason, I would like to ask that the APVO be extended against Mr Buzzard and that he not be allowed to harass me online - especially not when that harassment can lead to others threatening me or worse.

Thank you for your consideration.

Meryl Dorey
